Hi Lorena,

Thanks for this information and please let's meet ASAP to discuss this and the other Trolley items that were brought up at our last meeting. These are the same dates and times that I purposed to meet for the Chamber's Tourism Committee Meeting (see other email) and perhaps we can meet right after or on another day – let's see what works out for all:

- Ø Wednesday, February 8th anytime between 10am and 2pm
- Ø Thursday, February 9th anytime between 10am and 3pm
- Ø Tuesday, February 14th anytime between 10am and 3pm

I can put together an agenda once we figure out a day/time……

Thanks,
Augie

Subject: Fwd: Evaluation of Trolleys

Board members,

We just received a report from the MV Transportation mechanic. It doesn't look very promising. I wanted to at least relay this information as we move forward in planning for eventually replacing these vehicles.

For your reference, I also included the refurbishing information of what we did back in January 2011. It appears to be all cosmetic work that was done.

No action for you to take. I just wanted to pass along this information.

Best regards,

Lorena Parker
